

PYRAMID EXERCISE

Why should youth organisations and culture / heritage organisations work together?

Statement Pyramid Activity – youth and culture

You have 20 minutes to agree and form your pyramid based on the above question.

In small groups, discuss the statements and reject 6 statements.

Play the pyramid game with remaining 10 statements – prioritise them as a pyramid with the top statement the one you most strongly agree with.

Note:

You may modify the statements (change wording) or even create new ones.
